P.05

Rule 312 Amendment dated September 27, 2005  
Reply to Office Action dated September 8, 2005  
Attorney Docket No.: 3436-014 CON

Remarks/Arguments

In the Office Action of September 8, 2005, the PTO has indicated that Figs. 4 and 5 have not been described in the Brief Description of the Drawings. However, it is respectfully submitted that the drawings have been correctly described on page 6 first full paragraph and page 6 last full paragraph of the specification, respectively. In response to the request from the PTO, the specification has been amended by copying verbatim the descriptions of these drawings to the BRIEF DESCRIPTION portion of the specification.

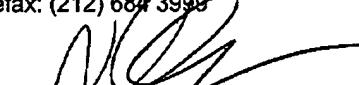

It is respectfully submitted that no new matter is being introduced by the present amendment and that no additional work is required by the Examiner.

If the Commissioner requires a PETITION TO WITHDRAW this application from issuance, then he is hereby authorized to charge \$130 and any additional fees deemed necessary to our Deposit Account No. 07-1730. (A duplicate of this sheet is attached hereto.)
